Respected Madam,

As an NGO dedicated to the cause of developmental work in non-planned localities of Delhi, we bring to your kind notice entire Okhla Main Road, from Okhla Head till Tikona Park is lying in dilapidated and broken state. There potholes of large size which is causing huge problem to the residents. No repair work has taken place since long and all concerned agencies have ignored the entire area of Okhla.

As this road is extensively used by traffic, situation is worsening day by day as it has become difficult to even walk during rain.
