September 11 2013,

Dear Sir,

As an NGO dedicated to the cause of developmental work in non-planned localities of Delhi, we bring to your kind notice, very respectfully, that entire Okhla Main Road, from Okhla Head till Tikona Park is lying in dilapidated and broken state. There potholes of large size which is causing huge problem to the residents. No repair work has taken place since long and all concerned agencies, have ignored the entire area of Okhla.

As this road is extensively used by traffic, situation is worsening day by day as it has become difficult to even walk during rain. It is badly affecting the movement of school buses as traffic remain jammed most of time. Hundreds of NOIDA bound BPO cabs use this road. A large portion of the road has also been encroached upon by illegal parking and shops.

We request you to kindly get the matter looked into and take necessary steps for the repair of entire stretch and issue instructions to the concerned agencies and authorities in this regard.

We hope that given your reputation for strong administration, you will take up matter on priority basis and take firm action for the maintenance of this particular road. We request you sir to kindly visit the area on your own to get the first hand information about the worsening condition of roads, public transport, congestion and sanitation in entire Jamia Nagar.

Thanking you

**With best regards**  
**Sincerely yours,**

**(Dr.Tariq Ashraf)**
