To
Mrs. Sheila Dixit
Hon,ble Chief Minister
NCT of Delhi
Delhi.

Respected Madam,

Dear Sir,

As an NGO dedicated to the cause of developmental work in non-planned localities of Delhi, we bring to your kind notice the problem of massive vehicular congestion and traffic jams in the Okhla area. Due to very thin stretch of roads and there being no alternate routes, in entire area from Kalindi Kunj to Jamia Millia Islamia traffic moves at snail's pace and remains blocked for hours at many a times. The school buses during noon time mostly remain stuck at Batla House and Okhla Head for long. Repeated and frequent traffic jams have made life of residents difficult and there is no access to fire fighting vehicles or ambulances during emergencies or disasters. A lot of problem is being caused by unlicensed vehicles and encroachment on road sides. There is no arrangement of traffic police to regulate traffic in the entire area.

We strongly believe that problem can be tackled on long term basis only by building alternate roads or routes. We request you to kindly expedite the work of proposed bye-pass from Maharani Bagh to Kalindi Kunj so that a large volume of traffic may take this route. We feel that bye-pass can take shape of an overhead bridge to avoid dislocation of people .

We further suggest that an under pass may be built from Okhla Head to Batla House for the movement of small vehicles. It will lead to decongestion to a great extent.

We believe that under your leadership, Okhla has witnessed several developmental programmes and hope that you will also take above proposed measure for decongestion at appropriate level and get the work done. We would be happy to assist you in any manner for the larger benefit of area.

We would further like to explain the issue personally and request you to kindly give us an appointment at the earliest.

Thanking you

Sincerely yours.

Dr. Tariq Ashraf
